Summer AiA Priorities

- **Expanding the Work Opportunity Tax Credit (WOTC) to military spouses.** WOTC expired at the end of 2025. Reauthorizing it — and adding military spouses as an eligible group — would give employers a meaningful incentive to hire a population that has faced stubbornly high unemployment for more than a decade.
- **Restoring GLP-1 coverage for TRICARE For Life (TFL) beneficiaries.** In August 2025, TRICARE ended coverage of GLP-1 medications for TFL beneficiaries being treated for obesity-related conditions. Thousands of retirees are now paying out of pocket or going without treatments that were improving their health.
- **Supporting combat-injured veterans with the Major Richard Star Act.** Combat-injured veterans who were medically retired before reaching 20 years of service currently lose a dollar of earned retirement pay for every dollar of VA disability compensation they receive. Legislation to correct that injustice has strong bipartisan support and multiple paths forward in Congress.

Crisis Relief Fund

- Active-duty service members (including Guard and Reserve)
- Veterans (with qualifying discharge status)
- Spouses and surviving spouses
- Caregivers of eligible service members or veterans
- Open to all ranks and branches of the U.S. uniformed services

Crisis Relief Fund

Grants of up to \$1,000 to help cover urgent expenses related to a crisis, including:

- Housing (rent, mortgage, repairs)
- Utilities and essential bills (electric, water, internet, groceries)
- Auto expenses (repairs, loans/leases)
- Medical and insurance bills
- Other critical needs (case-by-case)
